AY 2019-20

Date: 2/5/2020

SID adopted quickly to new format of teaching and learning in education. Students were given online classroom and instruction to complete their assignment. On 19/3/2020 meeting held at conference room at 10 am regarding future of course of action to be taken in case of nationwide lockdown. It was decided to go online for FCC soft skills the next working day.

The course started on 31/3/2020 to 4/4/2020 using Google classroom as platform for giving lecture, presentation, assignment and evaluation. To take attendance students have to submit answers every day and only one at a time the session opens and closes for a day only and thus the assignment was submitted and evaluated to return. Thus, attendance for the five days session is also taken.

Being responsible for CD-GD and Backlogs, I invited all concerned students and separately email thus doubly sure that students are aware of what's going on. Instruction were clear and simple so there was no specific issue and if any issue. Were resolved form the chat box.

I am attaching evidence as

- Day wise question linked to attendance.
- Screen shoot of google classroom.
- Email communication for query handling
- Attendance sheet and marksheet.
