Portfolio Requirements:

Your digital portfolio should be a compilation of your best works showcasing your skills, passion and interest in a variety of areas and techniques. Click good quality pictures of these and compile them in a Power Point Presentation of maximum 15 slides. Convert this into a PDF of up to 5 Mb. Do make sure to include the work you are proudest of. Try to be different and include unique and interesting things. Do note that if any incidence of unfair means in the making of your portfolio is observed, your candidature will automatically stand cancelled.

Your portfolio may contain:

- Sketches, mixed media illustrations and digital work
- Collaging of images, 2D and 3D articles
- Photography
- 3D objects like sculpture, fabric products, gadgets, art inspired products etc.

The above list is in no way exhaustive and you are free to include any other stuff which you feel represents your passion for design best. We are looking for creative thinkers and people who do not follow the crowd; impress us!
